Notwithstanding Exclusion 3.2, the **Insurer** agrees to provide cover in respect of any **Claim** made against the **Insured** in the **Period of Insurance**, where the **insured**:

- a) first became aware, prior to the **period of insurance**, that a **claim** might or could arise from facts or circumstances known to it; and
- b) had not notified the **Insurer** of such facts or circumstances prior to the **Period of Insurance**

Provided that

- i) the **Insurer** was the Cyber Liability and Privacy Protection **Insurer** of the **Policyholder** when the **Insured** first became aware of such facts or circumstances and have continued, without interruption to be the **Policyholder's** Cyber Liability and Privacy Protection **Insurer** until this policy came into effect and

- iii) the **Insurer** has the discretion to apply either the terms and conditions of the policy on foot when the **Insured** first became aware of the facts and circumstances, including but not limited to the Limit of Liability and **Retention**, or the terms and conditions of this policy.

4.3 Co-operation

- a) The **Insured** must, at the **Insureds** own cost, frankly and honestly provide the **Insurer** with all information, documentation, evidence and assistance reasonably required by the **Insurer** and/or any lawyers, investigators or other professionals, who may be appointed by the **Insurer**.
- b) The **Insured** must, at their own cost, do all things reasonably practicable to minimise any loss, including but not limited to the **Insureds** liability in respect of any **Claim**.
- c) Each **Insured** must provide the **Insurer**, at their own cost, with all information, assistance and co-operation which the **Insurer** reasonably requires, and in the event of a **Claim** or potential **Claim**,

each **Insured** agrees that they will not do anything that could potentially prejudice the **Insurers** position or their potential or actual rights of recovery.

- d) **No Insured** may settle any **Claim** or incur any **Defence Costs** or assume any contractual obligation or admit any liability nor consent to any judgment with respect to any **Claim** without the **Insurers** prior written consent.

The **Insurer's** liability under this policy is limited to the proportion of **Loss, Defence Costs** and other costs, which is a fair and equitable allocation as between:

- a) covered and uncovered parties; and/or
- b) covered and uncovered matters;

having regard to the relative legal and financial exposures attributed to the covered and uncovered matters and/or parties. Only **Loss, Defence Costs** and other costs incurred by covered parties in relation to covered matters will be covered by this policy, and are subject always to the terms and conditions of this policy.

The **Insurer** will use best endeavours to agree upon a fair and equitable allocation of the proportion covered under this policy, having regard to the relative legal and financial exposures attributable to covered and uncovered matters and/or parties.

If an allocation cannot be agreed then it will be determined by a suitably qualified Senior Counsel to be mutually agreed upon or, in default of agreement, to be nominated by the then President of the Bar Association of the jurisdiction in which the policy was underwritten. The Senior Counsel will make a determination as an expert based on the relative legal and financial exposures attributable to covered and uncovered matters and/or parties. Submissions made to the Senior Counsel will be in writing. Pending Senior Counsel's determination the **Insurer** will meet the **Loss, Defence Costs** and other costs on an interim basis at the percentage at which the **Insurer** contends they should be fairly and equitably allocated. After the allocation has been determined or agreed, such allocation will be applied retrospectively. The parties agree to be bound by the Senior Counsel's determination. The costs of any referral for determination to a Senior Counsel under this clause will be borne by the **Insurer**.

4.5 Defence Costs and Legal Representation Expenses

If the **Policyholder** or subsidiary pays **Loss** in respect of a **Claim** which would otherwise be covered under the terms of this policy, then the **insurer** shall reimburse the **Policyholder** or subsidiary in respect of such **Loss**. Nothing in this clause shall override the provisions of Clause 4.2(d) above.

The **Insured** where practicable shall obtain the prior written consent of the **Insurer** before incurring **Defence Costs** and **Legal Representation Expenses**, such consent not to be unreasonably withheld or delayed. The **Insurer** undertakes to respond within 7 working days of receipt of a request for such consent in relation to a notified **Claim**.

Subject to the **Insureds** compliance with Claims Conditions 4.1 and 4.2 the **Insurer** agrees to advance **Defence Costs** on an on-going basis and prior to the final disposition of a **Claim**.

4.6 Subrogation & Recoveries

Where the **Insurer** has paid any amount of **Loss** under the policy, the **Insurer** becomes entitled to assume any rights available to the **Insured** against any party to the extent of the **Insurers** payment. On the **Insurers** request, the **Insured** must assign all rights of recovery against any person or entity, but only to the extent that payment has been made under the policy.

The **Insured** must, at its own cost, assist the **Insurer** and provide information as the **Insurer** reasonably requires, to exercise the **Insurers** rights of recovery and/or subrogation. This may include providing and signing statements and other documents and the giving of evidence.

Where a recovery is made, the proceeds of such a recovery will be applied as follows:

- a) firstly, to the satisfaction of all costs incurred in effecting the recovery

- d) finally, to the **Insured** for the amount paid in respect of the **Retention**.

4.7 Related Claims

Any **Claim(s)** or **Loss(es)** under all applicable sections of this policy, directly or indirectly arising out of or in any way connected with the same originating cause or event, will be deemed to be a single policy **Claim**, reported at the date of the first such policy **Claim**. Any **Claim(s)** or **Loss(es)** under all applicable sections of this policy, triggering more than one coverage section, will be deemed to be a single policy **Claim** and only one **Retention** shall apply, except in relation to **Business Interruption Loss** where only **Waiting Period** shall apply.

4.8 Business Interruption Loss Calculations

In respect of Insuring Clause 1.2 only, in determining the amount of net profit (or net loss) and expenses covered under this policy for the purpose of ascertaining the amount of **Business Interruption Loss** (and otherwise); due consideration shall be given to the prior experience of an **Insureds** business before the beginning of a **Business Interruption Event**, and to the probable business an **Insured** could have performed, had no **Business Interruption Event** occurred. Provided, however that such net profit (or net loss) calculations shall not include, and this policy shall not cover, net income that would likely have been earned as a result of an increase in volume of business due to favourable business conditions caused by the impact of a **Business Interruption Event** on other businesses. All such net profit (or net loss) and expenses shall be calculated on an hourly basis and based on such an **Insureds** actual net profit (or net loss) and expenses.

SECTION 5 GENERAL CONDITIONS

5.1 Interpretation

Words and phrases appearing in bold text and where used in a policy, have the meaning defined in that policy or policies purchased by the **Policyholder** as shown in the schedule.

To the extent that there are any inconsistencies between the policy and this General Conditions Section, the terms and conditions contained in the policy will prevail.

In the policy:

- a) the singular includes the plural and the masculine includes the feminine;
- b) the headings are for descriptive purposes only; and
- c) in the event that any portion of the policy is found to be invalid or unenforceable, the remainder will remain in full force and effect.

5.2 Goods & Services Tax

Where upon receiving any indemnity payment under this policy, the **Insured** is liable to pay tax under Section 5(13) of the Goods and Services Act 1985 (or any statutory amendment or re-enactment of the Section or Act) and/or under the equivalent legislation in any other jurisdiction to which this cover applies, the **Insurer**, will indemnify the **Insured** for the amount of that tax. The indemnity under this clause is payable by the **Insurer** in addition to the limit of liability.

5.3 Alteration to Risk

The **Insured** must notify the **Insurer** in writing as soon as practicable of any material alteration to the risk during the **Period of Insurance** including:

- a) The **Insured** going into voluntary bankruptcy, receivership or liquidation; or
- b) The **Insured** failing to pay debts as and when those debts become due; or
- c) The **Insured** breaching any other obligation giving rise to the appointment of a receiver or the commencement of bankruptcy or winding up proceedings; or

- d) Any material change in the nature of the business activities and/or services performed by the **Insured**.

If the **Insured** fails to do this, then the **Insurer** may be entitled to reduce its liability in whole or in part under this policy in respect of a **claim** or the **Insurer** may cancel the policy. If the **Insureds** non-disclosure is fraudulent, the **Insurer** may also have the option of avoiding the policy from its beginning.

5.4 Change of Control

If during the **Period of Insurance** any other person, group or entity acquires control of more than 50% of the issued share capital of the **Policyholder** or of the composition of the board of the **Policyholder**, the cover provided by this policy shall be restricted so as to apply only to **Claims** in respect of **Business Interruption Events, Data Liability Events, Media Liability Events** or **Network Security Events** occurring prior to the effective date of such sale, consolidation, merger or acquisition of control, unless the **Insurer** has agreed to extend coverage under the policy and the **Policyholder** has agreed to the terms of any such extension of coverage.

5.5 Assignment

Such notice may be delivered personally, posted, emailed or faxed to the **Insured** named in the Schedule or their representative last notified to the **Insurer**.
- (c) On cancellation of this policy, the **Insurer** will retain the proportion of the premium calculated pro-rata as at the date of the cancellation plus fifteen percent (15%) of that amount.

5.7 Choice of Law

This policy is governed by the laws of New Zealand. Any disputes relating to the interpretation shall be submitted to the exclusive jurisdiction of the Courts of New Zealand.

5.8 Limit of Liability

The limit of liability specified in Item 4 of the Schedule is the maximum amount the policy will pay, including **Defence Costs** and **Legal Representation Expenses**, excluding Insuring Clause 1.5, irrespective of the number of **Claim(s)**.

In respect of Insuring Clause 1.5, the maximum amount this policy will pay for Defence Costs and Legal Representation Expenses is up to 50% of the Limit of Liability as specified in Item 4 of the Schedule, irrespective of the number of **Claim(s)**.

5.9 Satisfying the Retention

The **Insurer** will not make any payment, including any **Defence Cost** payment, toward any portion of any **Claim** unless the **Policyholder** pays the applicable **Retention**. The **Insured** may not insure the **Retention**, and neither sums paid toward uncovered portions of claims nor payments the **Insured** recovers from another **Insurer** or indemnifying party will erode the **Retention**.

5.10 Other Insurance

All **Claims, Loss** and other amounts payable under this policy will not be in excess of any other insurance indemnity or cover available to the **Insured** in respect of that **Loss**.

If such other insurance is provided by the **Insurer**, or any other member company, associate or affiliate, and it covers a **Loss** covered by this policy in respect of a **Claim** or **Loss**, the limit of liability under that other policy in respect of that **Claim** or **Loss** shall be reduced by any amount paid by the **Insurer** (or member company, associate or affiliate) under this policy. This policy will not be subject to the terms of any other insurance, unless specifically agreed.
